-- 2002 REGULAR SESSION --

Jan 18 First reading, referred to Judiciary.

HB 2479 by Representatives Carrell, Roach, Buck, Schmidt and Casada

Protecting the public against terrorists.

Finds that public safety is one of the highest priorities of government and that the security of the citizens is endangered when those who are committed to engaging in the commission, instigation, planning, preparation, aiding, or financing of terrorist acts abuse the freedoms, rights, privileges, and laws that underpin the great strength of this state and nation.

Finds that in order to protect the people from harm and reduce threats to their safety and well-being, the state has a compelling interest in obtaining the information necessary to prevent terrorist acts by ensuring that those who are in this country are here legally and are fully complying with the law.

Provides that any person who is residing in this state who is not a citizen of the United States shall apply for a Washington state identicard under RCW 46.20.117 within fifteen days from the date he or she becomes a resident.

Requires each person applying for an identicard under this section to provide the department with a valid visa issued to him or her by the United States and his or her residential address and phone number. Each identicard issued to an applicant by the department under this section shall indicate the person's status under the visa and shall include the visa identification number. The department shall not issue an identicard under this section to any person who does not have a valid visa issued by the United States.

Declares that any person who is not a citizen of the United States and who violates this section is guilty of a misdemeanor.

Requires any person who is not a citizen of the United States who is requested or signaled to stop by a law enforcement officer to provide the law enforcement officer his or her visa and identicard upon request.

Declares a violation of this provision is a misdemeanor.

Increases the penalties for using animals for fighting.

-- 2002 REGULAR SESSION --

Jan 18 First reading, referred to Criminal Justice & Corrections.

HB 2482 by Representatives Carrell, Mielke, Roach, Campbell, Morell, Kirby and Benson

Providing sentencing enhancements for criminal gang activity.

Finds and declares that: (1) Criminal gang activity is a prevalent problem throughout this state and gang violence has had a tremendous impact on our communities and families;

(2) Gang members often view their gang as their "family". Gangs provide their members with negative guidance and undesirable values. This gang subculture perpetuates itself and leads to increased violence and crime;

(3) Current law does not sufficiently deter criminal street gang activity.

Declares that, by increasing penalties when an offense is committed for the benefit of, at the direction of, or in association with any criminal street gang, with the intent to promote, further, or assist in criminal conduct by gang members, the legislature intends to convey that involvement in criminal street gangs is unacceptable.

Declares an intent to deter criminal street gang activity by providing a sentencing enhancement.

SB 6480 by Senators Eide, Morton, Keiser, Winsley and Fraser

Encouraging recycling and waste reduction.

Directs the department of general administration to work with commercial and industrial construction industry organizations to develop guidelines for implementing on-site construction waste management planning.

Declares it is the state's goal that programs be established to eliminate residential or commercial yard debris in landfills by 2012 in those areas where alternatives to disposal are readily available and effective.

Authorizes the commission to allow solid waste collection companies collecting recyclable materials to retain up to thirty percent of the revenue paid to the companies for the material if the companies submit a plan to the commission that is certified by the appropriate local government authority as being consistent with the local government solid waste plan and that demonstrates how the revenues will be used to increase recycling. The remaining revenue shall be passed to residential customers.

Provides that, by December 2, 2005, the commission shall provide a report to the legislature that evaluates:

(1) The effectiveness of revenue sharing as an incentive to increase recycling in the state; and

(2) The effect of revenue sharing on costs to customers.

Directs the department of ecology to designate a portion of the responsibilities of existing staff to investigate and draw conclusions by December 31, 2002, on the following:

(1) The use of scrap tires as alternative daily cover for landfills;

(2) The feasibility of establishing and maintaining an incentive program for market development for scrap tires.

Requires the department of ecology, in conjunction with the appropriate private sector stakeholders, to track and report annually to the legislature the total increase or reduction of tire recycling or reuse rates in the state for each calendar year and for the cumulative calendar years from the effective date of this act.
